RE: Stewards of Lake Seminole

DATE: October 25, 2022

This will confirm the unanimous support of the Decatur County Board of Commissioners on behalf of the Stewards of Lake Seminole. This is a newly formed organization with the clear mission to enhance the safety and well-being of Lake Seminole in a collaborative approach with the Corps of Engineers. We anticipate this partnership to result in far reaching benefits and improvements for all that care to explore the beauty, tranquility and natural resources provided for all to enjoy in and surrounding Lake Seminole.

If I may be of any further assistance or provide additional information, please do not hesitate to contact me.

Sincerely,

Pete Stephens
Chairman
